EXPERIENCE

Peel Foods Ltd.   Dublin, Ireland

Web Developer   *March 2021 – Present*

- Migrated an outdated Wix website over to a modern WordPress theme. Applied custom CSS and implemented modern features.
- Prioritized and fixed site-related design problems and took the initiative to implement new features based on feedback from users.
- Helped create and implement new ideas for ways to grow the business and generate revenue
- Successfully adapted and thrived in a fast-paced work environment with rapidly changing goals.

PERSONAL PROJECTS

Portfolio Site
Live link: fernandosequineli.github.io/portfolio/

- Built using React and styled with Tailwind CSS.
- Converted my original portfolio from an HTML file to a React app using some modern features.

Hoo Bank – Front End App
Live link: fernandosequineli.github.io/hoo-bank-react-tailwind/

- Built using Figma, React and styled with Tailwind CSS.
- Stunning frontend application, using modern UI and great UX elements.
